### **Pedestrian Improvements: Hollywood Streetscape Breaks Ground**

LADOT, in collaboration with BOE, BSL, and BSS broke ground on Thursday, July 27th for the Hollywood / Western Pedestrian Improvement Project. The purpose of this Active Transportation Program-funded project is to increase transit, pedestrian, and bicycle use along the corridor, enhance the safety and mobility of non-motorized users, create a walkable pedestrian friendly streetscape, and establish a stronger connection between Hollywood and East Hollywood. This project contains pedestrian improvements and amenities along Hollywood Boulevard from Gower Street to Western Avenue, and along Western Avenue from Hollywood Boulevard to Carlton Way. CD 13 Councilmember Mitch O'Farrell is joined by LADOT's Senior Transportation Engineer, Carlos Rios and sister department representatives for the Hollywood Western Streetscape Ground Breaking last week.
